Interior Design for Libraries: Recent projects and best practices

Interior Design for Libraries: Recent projects and best practices

How your library functions is greatly dependent on whether you have good library design or not. Find out how your library can be redesigned to fit with your strategic plan and the business processes of your organization. A look at recent library redesigns and best practices will prepare you to take control of your redesign process. This session hosted by one of Ottawa's foremost interior designers, Mary Jane Yorke of Yorke Design. Ms Yorke has over 25 years experience in special library redesign and corporate interior design. Let her guide you through the process and share her secrets. Should you have questions to ask Mary Jane Yorke for this session, please email them to: mary.yorke@sympatico.ca
